A formal approval process is established to vet the press for each event. No press is permitted access to the sessions without the government approval by the sponsoring group. You will be notified once the sponsoring organization approves your attendance.

- Fax NCSI a copy of your business card or masthead showing your name, title and organization to submit to the Government for approval.
- When an individual is approved by the Government, the approved sessions and exhibit hall are open to the press unless an exception is specifically made in advance or, in some cases, on-the-spot due to a speaker request, or other unforeseen circumstances.
- All press, attendees, and exhibitors are asked to honor the non-attribution policy to preserve the event as a completely open forum for meaningful exchange between government and industry.
- It is your obligation to seek government approval for information to be released into the public domain.
- NCSI does not release event participant information to any third party and adheres to all contract clauses regarding proper disclosure of information.

I agree to the above terms and conditions
