Quality

Best in Class contracts go through the OMB's most rigorous selection process to be named the highest quality contracts available, making CIO-CS a key acquisition tool.

Ease

e-GOS allows you to easily research, compare, and acquire IT products online and on-the-go via our secure, web-based ordering, management, and award system.

Value

Best in Class contracts are mature and market focused for innovative and proven solutions that meet demand with better value commodities and commodity-enabling solutions.

Speed

With a \$20 billion ceiling, agile contract design, and streamlined ordering and award — all backed by NITAAC's team of expert acquisition professionals — CIO-CS enables agencies to buy and deploy mission critical IT faster and more efficiently.

Chief Information Officer-Commodities and Solutions (CIO-CS) is a 5-year, IDIQ Government-Wide Acquisition Contract (GWAC) with a five-year option. It enables agencies to access both OEMs and VARs offering innovative and proven commodities and commodity-enabling solutions on site or in the cloud.
