Government DoD Solutions

ACHIEVE YOUR MISSION WITH EFFICIENT, COST-EFFECTIVE SOLUTIONS

Government agencies continue to face the challenge of doing more with tighter budgets, even as new legislative requirements and directives seek to improve financial, project, and security management. Keeping up with technology advancements and upgrading the expertise of everyone who touches that technology are critical to any government agency or institution. New Horizons has a deep understanding of issues that are unique to military services and government agencies. We offer GSA schedule pricing or lower to all DoD agencies & contractors.

WORK WITH THE TRAINING COMPANY WITH THE MOST EXPERIENCE

We're experts at making the most of federal, state and local agency resources to improve operational efficiency, optimize cyber security efforts and meet the latest legislative requirements. For 35 years, New Horizons has provided more than 30 million students with industry-leading technical training and certifications. With more than 70 locations in North America, the New Horizons Franchise network spans six continents and over 35 countries, offering the world's largest Guaranteed to Run schedule of classes.

Our full Offering can be found at: WWW.NHTAMPABAY.COM

WE WILL HELP YOU MEASURE EXACTLY HOW WELL YOUR TRAINING WORKS

You need to account for results, and New Horizons grants you access to the most advanced, comprehensive assessment and performance measurement tools available. We'll also give you the state-of-the-art resources to do your own pre- and post-training assessments.

INFORMATION ASSURANCE: DIRECTIVE 8570 COMPLIANCE TRAINING

New Horizons' government team has the cyber-security solution training expertise to thoroughly train Department of Defense (DoD) personnel and contractors to comply with the very specific certification requirements of Directive 8570. We train personnel to Secure and Protect! We offer training compliant with DoD 8570 / 8140.

The DoD 8570.1-M Directive requires every part-time or full-time military member or contractor that has access to privileged DoD information be held by trained and CERTIFIED personnel.
We offer this Training & Certification in these DoD Information Assurance areas:
